

University-Specific Degree in **COMMERCIAL PILOT TRAINING** for Passenger and Cargo Air Transport

Obtain your Full ATPL Training (EASA) and get a University-Specific Degree in Commercial Pilot Training for Passenger and Cargo Air Transport in just 3 years.

University Education + Full Pilot Training

Burgos University and FlyBy have come together to create **the perfect combination** of flight training excellence and higher education.

This program is **highly valued by airline management** and aviation recruitment experts from corporate and commercial airlines within Europe and across the globe.

Graduates will hold the qualifications necessary to undergo a Type Rating and airline training to become a First or Second Officer with an airline.

The program stands out for its high standards, practical focus, and continuous support for students, both academically and in their adaptation to life in Spain.

In addition, holding this degree enables graduates to pursue ground personnel positions as First Officers with a commercial airline or other ground-based positions such as Operations Officer, aircraft design, maintenance, management, etc.

Total price **€99,500**

Course Schedule

Year 1 (Foundations & Basics)

Focuses on the core principles of piloting, basic sciences (math and physics), meteorology, and initial aircraft systems.

Start of flight training.

Year 2 (Navigation & Safety)

Shifts the focus toward deep air navigation, aviation laws, flight instruments, and airport security and operations.

Year 3 (Engineering & Management)

Centers on advanced technical areas (engines and maintenance), airline management, multi-crew cooperation, and the final degree Thesis.

End of flight training.

What we offer

- Theoretical subjects, ATPL modules, aeronautical technology, and management courses.
- Professionals from the aviation sector, including university professors, EASA-certified instructors, pilots, AENA personnel, and engineers.
- Flight and simulator training (Airbus A320 and Boeing 737).
- 14 EASA ground test fees for ATPL examinations at Burgos Airport.
- EASA flight skill tests (CPL, ME/IR, PBN).
- Examination fees for non-ATPL subjects (up to two attempts).
- Landing fees.
- Pilot uniform.
- Study materials and Bristol Ground School access (2 years).
- Jeppesen charts and tools.
- Initial EASA Class 1 medical certificate and two renewals.
- One-year subscription to the ATPL question bank and follow-up exams.
- + More
