

FlyBy Aviation Academy

# CADET PROGRAM

Start your aviation career with a complete training pathway designed to take you from your first lesson to becoming a professional Flight Instructor with real flight experience.

## Guaranteed 12-Month Contract

The FlyBy Cadet Program guides you every step of the way, from your very first lesson to your first employment contract, providing everything you need to succeed.

Every phase is carefully designed with real career progression in mind, combining ground school, simulator sessions, and hands-on flight training.

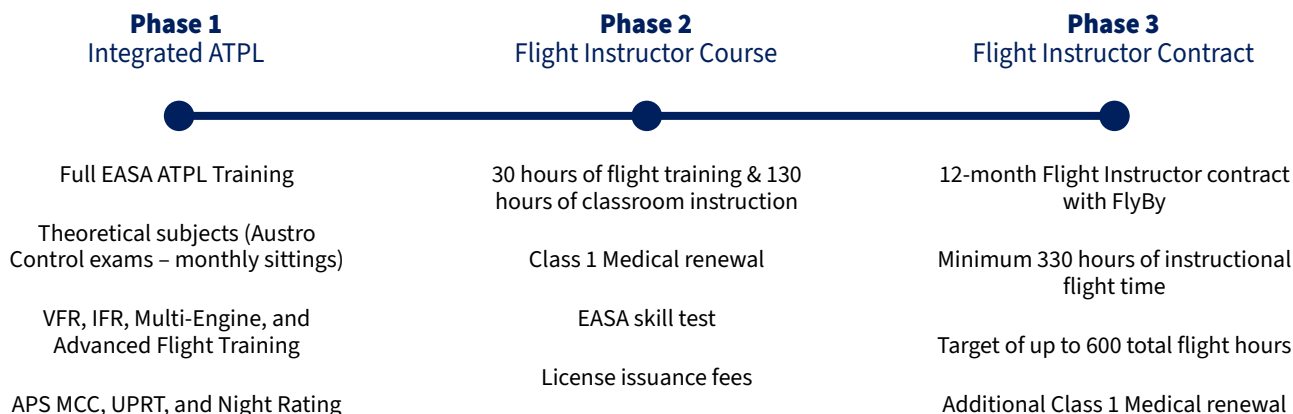

Our Cadet Program is the only one in Europe that combines full ATPL training, a flight instructor rating, and a guaranteed employment contract in a single program.

Shape your future in aviation and build a professional career in just 29 months.
